

REMARKS

Applicants respectfully request entry of the present amendment to the claims prior to examination of the above-referenced application. Applicants believe that the claims as amended are now in proper form for examination.

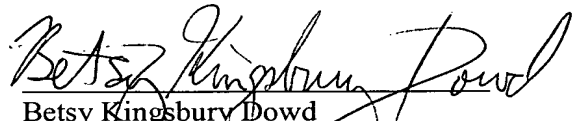

The originally filed Fig. 4 recited reference numeral 46 twice. Replacement Sheet 2 is submitted herewith to correct this error.

In addition, in the English Translation of the original specification, this obvious error was corrected on page 10, last paragraph and page 11, first paragraph (substrate 46 now reads substrate 47).

The following additional obvious typing errors were corrected in the English translation: on page 11, lines 8 and 10, figure 5 was changed to figure 5a; and on page 13, lines 4 and 10, figure 6 was changed to figure 5b. No new matter has been added by these amendments.

In view of the foregoing submission, examination of the present application on the merits is respectfully and earnestly solicited.

Respectfully submitted,
